# Putting Lives Together

## 'Brick By Brick' For More Than 20 Years

Catholic Charities Community Services of Rockland will be installing a meditation and inspiration garden at our location at 78 Hudson Avenue, Haverstraw. The garden is designed to help reduce the stress and anxiety often associated with being in a position to need services and ask for help. Some come to us needing food. Some ask for help before electricity is turned off. Some arrive hopeless with nowhere else to turn before being evicted. Regardless of religious affiliation, race, ethnicity or any other factor, we are there to help. We provide food, funds, and shoulders to lean on. Now we want to provide a place where people can sit and alleviate some of the stress they may be feeling. But we need your help.

Purchase a brick to help pave our garden. It can have your name on it, your company name, the name of someone you would like to honor, a loved one, or the name of someone who inspired you to keep going one more day at a low time in your life. Another option is a phrase or quote that might inspire someone to take that next step and let them know that better days are coming.

Please submit your own or choose from the column on the right. We hope you will join us to see it for yourself when we bless the soil on Earth Day on April 22, 2017 at noon.

If you are choosing a phrase from the column at the right, please include your name and email here and return this sheet with the official order form.
